Segment I Information

Purpose

The purpose of West Coast Driving School is to teach young drivers between the ages of **14 years 8 months** (verification by birth certificate) and 18 years of age to share the roadway with all other vehicles, cyclists, and pedestrians in such a manner as to acquit themselves both defensively, intelligently, and cooperatively.

The driver education program of West Coast Driving School has been approved by the Michigan Department of Education to provide a driver education course for youth under 18 years of age.

Michigan Requirements

- 1) **24 hours of classroom work.**
- 2) **6 hours of driving**
- 3) **Pass the State Final Written Exam with a score of 70%.**

Classroom

We will meet 12 times for 2 hours in order to meet the 24 hour state requirement. Class will finish in 3 weeks during the summer and 4 weeks during the school year. Typically, class will meet Monday, Tuesday and Wednesday for four weeks during school and Monday through Thursday during the summer months.

Driving

West Coast Driving School will meet the 6 hour driving requirement by providing 4 hours of driving on the road and 2 hours in a driving range facility. Road driving will be on public roadways with an instructor in 2-hour blocks. One other student will be present for observation time. Drive times are flexible in order to meet the needs of the students.

For all drive times, we will depart and arrive from school in a location designated by the teacher at orientation night.

Fees

The fee for Segment I is \$300 through December 31, 2018. Rates may change in 2019.

Deposit

To enroll for a Segment I class session, send in the Segment I application form and enclose a \$40.00 nonrefundable deposit. This deposit will hold your son/daughters spot in the class. Per state law, class size is limited to 36 students. If your son/daughter doesn't get into the class, we will contact you to make other arrangements for the next session. If this won't work, we will gladly refund your deposit.

Payment Method

We accept cash, check and money order. If you register on-line(westcoastdrivingschool.com), we can also accept VISA/MC (a service charge will be applied).

Orientation Night

West Coast Driving School will hold a "Student/Parent Orientation Night" on the first night of class. On this night, a check for the balance needs to be made out to West Coast Driving School.

What Should You Bring to Orientation Night?

All students and parents/guardians are required to attend an Orientation Night. We will send out a post card about a week before the first class session to let you know the specific date and time.

_____ A copy of your son/daughters birth certificate. We will need this to verify your son/daughters date of birth.

_____ Your calendar/personal planner. This will assist in choosing specific driving and range times.

_____ A check made out to West Coast Driving School for the balance of the fee.
